Marjan Tile Co., with more than 30 years of experience in manufacturing ceramic coatings, using the most advanced and modern machineries in this field, has succeeded to be a very innovative company, and is proud to produce:

- Porcelain tiles in matt, polished and semi- polished finishes
- Luxury decorative tiles
- Industrial tiles including industrial Acid Resistant tiles , Alkali Resistant tiles , Anti Slip tiles
- Translucent tiles with light transmission property
   These products are made in accordance with the international ISO 13006 standard in varying sizes.

According to the a.m. standard, these products can be used indoor and outdoor, in all residential, commercial, and industrial applications, such as factories, hospitals, laboratories, workshops and offices.

Thanks to the high quality of the products, they are already exported to many European and Asian countries.
